### ***Overall results***

For overall result all competitors could count their results from all three events. If two or more drivers have equal points (including zero), their positions are fixed according to the quality of their finishes. Under this system one first place is better than any number of second places, one second place is better than any number of third places, if this still does not split the result, than driver who was started in more events. If this still does not split the result, the prize will be shared.
